Program Updates March 29, 2024 – April 25, 2024

Crisis Services Number

- 1. The Crisis Stabilization Unit (CSU) continues to work with Genoa to build a Cubex machine, which will allow the CSU to keep controlled substances on the unit and available for use at all times to manage individuals who are experiencing withdrawals from substances or higher rates of aggression, and is waiting on an implementation date. Changes are being made to the medication room at the CSU to accommodate the Cubex machine.
- 2. The CSU continues to recruit qualified staff to fill remaining openings. Several key employees begin orientation the week of March 26th and interviews continue for the remaining two open positions.
- 3. In the month of March, PETC crisis staff provided 397 crisis services to individuals with 25% of the services provided to individuals under the age of 18. Our Crisis Intervention Teams completed 144 crisis services in the community, of which 29 services were provided to youth. Finally, our Mental Health Continuity of Care staff provided 78 direct services to adults and youth who had discharged from a state hospital or a Tri-County funded behavioral health hospital placement.
- 4. In the month of March, Tri-County funded behavioral health hospital admissions for 90 adults and 17 youth. This demonstrates an average of 3.45 admissions per day during the month with 27% of all crisis assessments completed resulting in a contract funded admission. Out of the 107 admissions, 68% were referred as involuntary admissions, with the other 32% referred for voluntary admission. In March, there was a decrease in involuntary admissions and an increase in individuals who were assessed at the PETC.

MH Adult Services

- 1. One of our Adult Outpatient physicians has resigned following a period of leave. Her role is being covered by a locum tenens physician until the role can be filled.
- 2. HHSC's Peer Program Director conducted a site visit at the Conroe clinic in April, meeting with Center Peer and Family Partners on the Adult Outpatient, First Episode Psychosis, and Care Coordination teams. Staff provided feedback on the work they do and highlighted the positive work culture and collaborative nature of our programs.
- 3. The First Episode Psychosis program completed an internal fidelity review to explore improvements the team has made since the last HHSC site visit last fiscal year. The team identified improvements in implementing proactive assessments to address mental health crises and substance use needs, and now has a Family Partner as an extra layer of support and psychoeducation. The team is continuing to offer evening groups to increase options for services outside of regular business hours.

MH Child and Youth Services

- 1. We are in the process of recruiting a team of clinicians and a supervisor for the Multisystemic Therapy program, which will serve youth, ages 12 17, to reduce delinquent and antisocial behavior by addressing the core causes of such conduct. This evidence-based model works closely with community providers who also serve youth, including schools, criminal justice, child welfare, and other partners and provides support to youth and families, teachers, neighborhoods, and peers.
- 2. The two new school-based sites in Huntsville are actively screening youth in need of services and making connections to ongoing care through the Child and Youth walk-In clinic. In March, over half of the youth presenting to walk-in requesting services were referred from the school-based sites.
- 3. Given that many of our Child and Youth staff are new to their roles, supervisors have been focusing additional training to staff to enhance skills and build clinical competence across the team. Supervisors are further celebrating staff who are meeting or exceeding client care expectations, which has helped to promote confidence and morale across the team.

Criminal Justice Services

- 1. The work the Criminal Justice Services team has done to implement 46B (Incompetent to Stand Trial) medication reimbursement processes was highlighted by TCOOMMI as an example to other Centers. This program incentivizes the jail to provide medications to individuals discharged to the jail from a psychiatric hospital after being restored to competency to await trial, ensuring that these individuals do not decompensate, by reimbursing cost of those medications. We are actively engaged in this process with Montgomery County, and working on connecting with jail staff in Liberty and Walker to get the reimbursements to the rural clinics.
- 2. In March, the Jail Services Liaison completed 19 assessments/Continuity of Care (COC) contacts and assisted with the coordination of 221 others in Montgomery County jail.

Substance Use Disorder Services

- 1. The Co-Occurring Psychiatric and Substance Use Disorder treatment program (COPSD), which provided substance use counseling to adults and youth in Huntsville, is gradually unwinding because SAMHSA funding that has been used in the program is ending in May. Substance use interventions and supports will continue to be provided by QMHPs and referrals for more treatment will be forwarded to Conroe for the intensive outpatient treatment programming. We are sad to see the program end, but proud of the work that was done.
- 2. Work is being done to engage Tri-County staff and students at local colleges in internship opportunities in the Substance Use Disorder Treatment program, in hopes of increasing interest in careers providing counseling and treatment to individuals with substance use needs.
- 3. The Prevention Team is scheduled to present on Cyberbullying at Mitchell Intermediate School in April. Approximately 650 6th grade students will be in attendance for this event.

- 4. The Prevention Team is coordinating with Liberty Middle School and Liberty High School to deliver a presentation on the Dangers of Fentanyl to students in May.
- 5. Prevention Education Groups are wrapping up for the 2023-2024 school year. This year the team facilitated groups for the entire 7th grade in every Willis ISD middle school, as well as provided groups in schools in various districts across the catchment area, including Conroe ISD, New Caney ISD, Huntsville ISD, New Waverly ISD, Magnolia ISD, and Cleveland ISD. By the end of April, the team will have provided Prevention Education to approximately 1,500 students.

IDD Services

- 1. Renovations have been completed to the bathrooms in the group home located at 7045 Highway 75, Huntsville. These changes will ensure ongoing accessibility for aging residents.
- 2. IDD Provider Services continues to monitor benefits through the Medicaid unwinding, with four individuals having lost their Medicaid. An additional seven individuals have been identified for review by Medicaid in the coming months. Staff continue to work with families to get Medicaid reinstated.
- 3. IDD Provider revenue is down after several months of missed billing due to Medicaid losses. While our revenue is down so are our expenditures as we do not pay the Host Home contractors until Medicaid is reinstated.
- 4. IDD Provider Services continues to seek qualified candidates to fill vacant positions in both group homes and Individualized Skills and Socialization programs, and are in the process of hiring a weekend position in the group home. Hiring continues to be a challenge due to pay.
- 5. IDD Authority Services received notification that our largest HCS Waiver program private provider, Integrated Life Choices (ILC), will voluntarily terminate their HCS contract on May 31, 2024. ILC has requested a change in ownership, which will transition to Caregiver Long Term Care Services and Supports. IDD Authority Services is in contact with the 75 impacted individuals to provide notification of the change and complete the transfer process. The team will meet weekly with HHSC to provide updates on this process until completed.

The DPP program is made up of two components:

- Component 1 is a uniform dollar increase issued in monthly payments to entities participating in the program. As a condition of participation, providers will report on progress made toward certification or maintenance of CCBHC status and provide status updates on DPP BHS quality improvement activities.
- Component 2 is a uniform percent increase on certain CCBHC services paid on adjudicated claims. As a condition of participation, providers are required to report on metrics that align with CCBHC measures and goals. Providers that have CCBBHC certification are eligible for a higher rate enhancement in this component for units of service provided.

So that being said, we are under budget on Component 2 based on the number of units provided is less than the model used to determine our expected revenue for this fiscal year.

HHSC – MH First Aid - This line item is for one staff to be the Mental Health First Aid Outreach Coordinator and also provides funds for Tri-County to train First Responders and School Teachers on Mental Health First Aid. So far this year there hasn't been as many trainings provided as we have had in the past. We hope to see trainings increase during the summer months when time is available for school staff.

HHSC – Autism Program - This is our Autism program, which is a one program staff. Our autism staff person has been out on leave periodically this fiscal year which has caused this program to be under budget for revenue earned.

<u>Advertising – Recruitment</u> - This line item reflects the amount we pay for a recruiting fee for Doctors. This year we have successfully recruited one doctor.

Building Repairs & Maintenance – This line item is for the repair and maintenance of items at the existing buildings. The bulk of this overage is for the repair of the elevators at the Sgt. Ed Holcomb building in Conroe. We finally have all three elevators up and running after many months of the Service Elevator being down waiting for repair parts to arrive. This line also has some recent charges for repairs and maintenance for the A/C units at the Sgt. Ed Holcomb building. We have met with the A/C contractor that we use for repairs and have asked for cost comparisons for replacement of existing units and also for any future needs for A/C units. The cost is high and is not something we are willing to do at this time.

<u>Contract – Clinical</u> - This item is for contracted clinical services. The line is over mainly due to contracting with an additional Psychiatrist to cover a vacant doctor position. This is offset by the lapse in the wage line for the vacant position.

<u>Contract Services – Foster Care</u> – This is slightly over the budgeted amount for foster care providers. This is a cost reimbursement line and we receive increased revenue to offset this overage.

Employee Wellness – This line item is for annual flu shots we provide to our employees as well as Hepatitis B vaccines we offer to specific employee types. The prices for these vaccines have increased from prior years.

Fixed Assets – Building Improvements - This line item is for the costs to finish up the refreshing of the Sgt. Ed Holcomb building that we started in last fiscal year. In particular this is for the completion of the calm room on the 2nd floor and also the final cost of the painting and flooring for the last portion of the building.

Fixed Assets – Construction in Progress – This line item is for the purchase of the generator for the Cleveland facility. Also included in this line is architecture fees,

City of Cleveland permit costs, and the payments to JLA Construction for Phase I of the contract.

Fixed Assets – Furn & Equip - This line item is for the Conroe building refresh. The largest portion of this amount is for the replacement of the 2nd floor lobby seat, pan and back of the chairs. We also purchased furniture for the new calm room located on the 2nd floor.

Legal Fees – This line item is the cost of our attorneys reviewing and bringing up to date the bond documents that have been under review for the past two to three months by Jackson Walker and a team of other lawyers from Municipal Capital. This has been very labor intensive since these documents haven't been updated in over 30 years. We would not sign them in their original condition, so corrections had to be made.

Medication Expenses – This line item is up due to PETC medication use requirements changing. This includes the initial purchase of required stock medications that need to be on hand at the PETC. The prices for medications have also shown an increase from prior year purchases.

Travel -Local – This line item is for the reimbursement of miles driven by staff in their own personal vehicles. Our reimbursement rate has increased to match the current State of Texas approved rate of .625 cents per mile. We have more staff driving so hopefully this will all translate into more services being provided very soon.

Agenda Item: Consider Selection of FY 2024 Auditor

Board Meeting Date

April 25, 2024

Committee: Business

Background Information:

Each year, Tri-County Behavioral Healthcare is required to select an outside auditor for our financial audit. We have previously used the following auditors:

FY 1992	Pircher and Co.
FY 1988 - 1993	Kenneth Davis
FY 1999 Vetter & Taboada, P.C.	
FY 2000 - 2003	David N. Miller, LLP
FY 2004 - 2006	McConnell & Jones, LLP
FY 2007 - 2010	David N. Miller, LLP
FY 2011 - 2012	Carlos Taboada & Company, P.C.
FY 2013 - 2018	Scott, Singleton, Fincher & Co., P.C.
FY 2019 - 2022	Eide Bailly LLP
FY 2023	Scott, Singleton, Fincher & Co., P.C.

The FY 2024 HHSC Performance Contracts state that the center shall "engage the same audit firm for no more than any six (6) consecutive years from the initial date of engagement."

This would be our second year with Scott, Singleton, Fincher & Co., P.C. if selected. The first year went very smoothly and we were glad to be back with Tommy Nelson as our lead Auditor. Staff recommend that we continue with Scott, Singleton, Fincher & Co., P.C. for the FY 2024 audit.

2nd Quarter FY 2024 HUD 811 Report

The Cleveland Supported Housing, Inc. Board (CSHI)

The CSHI Board met on March 22, 2024 for the annual meeting where they reviewed financial statements, elected officers of the Board, reviewed and approved the electronic filing of the FY 23 Audit with HUD REAC (Real Estate Assessment Center), and voted to amend the Bylaws. The next meeting is tentatively scheduled for June 14, 2024.

The property is currently at 100% occupancy with two people on the waiting list. Due to resident need, MDP Management has planned to schedule an installation of a handicap accessible door in the Community Room in the next few weeks. Residents are continuing to participate in monthly social activities to include including Bingo and Donut Day.

Tri-County staff have continued to provide status updates to the Board and Property Management about the new Cleveland Facility to ensure residents are aware and prepared well in advance should they utilize any of these services.

Following a review of the financial status of the property this past year, MDP Management received approval and was able to make a re-payment toward the payable to Tri-County in the amount of \$15,000.00. The new payable balance to Tri-County following this payment is \$19,237.00.

The CSHI Board currently has four members with an expected resignation to occur once we are able to find another member. We are actively seeking recommendations for additional membership as they become available. Please contact Tanya Bryant with names for any potential Board members.

The Montgomery Supported Housing, Inc. Board (MSHI)

The MSHI Board held their annual meeting on March 19, 2024 where they reviewed financial statements, elected Officers for the Board, reviewed and approved the electronic filing of the FY 2023 Audit with HUD REAC, and voted to amend the Bylaws. The next meeting is scheduled for June 11, 2024 where the Board will review and approve the purchase of Directors and Officers Insurance.

The property is currently at 100% occupancy with four people on the waiting list with no major maintenance issues at this time. The residents continue to meet monthly to participate in Bingo.

The current outstanding payable to Tri-County is \$32,278.86. As a reminder, these projects are not developed to make large profits. As such, MDP Management conducts a review of the financial status at the end of the year to determine if a payment toward the payable amount is able to be made at that time.

The MSHI Board currently has five board members. Even though we are above our minimum number of board members, we continue to accept recommendations for additional membership as they become available. Please contact Tanya Bryant with names for any potential Board members.

The Independence Communities, Inc. Board (ICI)

The ICI Board held their annual meeting on March 19, 2024 where they reviewed financial statements, project status reports, elected officers for the Board, reviewed and approved the electronic filing of the FY 2023 Audit with HUD REAC and voted to amend the Bylaws. The next meeting is scheduled for June 11, 2024.

Independence Village is currently at 100% occupancy with four people on the waiting list. There have been no major maintenance issues on the property since the last meeting. The residents continue to participate in selected social activities including Bingo, pizza, breakfast, and movie nights.

The ICI Board currently has four members and we continue to seek recommendations for additional membership as they become available. Please contact Tanya Bryant with names for any potential Board members.
